Moving, made calm

The move, in the order it happens. Check each line as you go.

Before you write an offer

- ☐ Renting? Check your lease for how much notice you need to give.

Once you are under contract

- ☐ Choose a closing date that gives you room to pack.
- ☐ Book movers early. Get quotes from at least three companies.

Four weeks out

- ☐ Walk each room and decide: keep, sell, donate or let go.
- ☐ Order boxes, tape and labels.
- ☐ Start with the rooms you use least.

Two weeks out

- ☐ Set up power, water, gas, internet and trash at the new home for closing day.
- ☐ Set the end date for the same services where you live now.
- ☐ Change your address with the post office, your bank, your insurance and your employer.

The week of

- ☐ Pack by room and label every box with what is inside and where it goes.
- ☐ Confirm the mover's arrival time.
- ☐ Keep important papers and your photo ID with you, never on the truck.

The first night

- ☐ Pack one box to open first: sheets, towels, a change of clothes, chargers, toiletries, medicine, a few tools, coffee and something easy to eat.
- ☐ Change the locks or rekey them.
- ☐ Find the water shut-off and the breaker panel before you need them.
